

Nicole Pearce Joins the PMA and OLAP Team

PMA, a premier full-service provider of financial and advisory services to local governments, is pleased to announce that **Nicole Pearce** is joining the team as **Coordinator, Sales and Relationship Management**. She will partner with the **Oklahoma Liquid Asset Pool (OLAP)** to serve school districts throughout the state of Oklahoma. Nicole's experience and commitment will allow OLAP to further its relationship as a trusted partner to local Oklahoma school districts.

Prior to joining PMA, Nicole served as the Treasurer/Financial Manager for Skiatook Public Schools and Treasurer for Wynona Public Schools. She is excited to share her experience in treasury management, cash flow analysis and financial forecasting with schools across Oklahoma.

Nicole's service to professional organizations includes a role on the OKASBO New School Business Officials and Planning Committee. Additionally, Nicole is on the ASBO International Education Advisory Committee where her focus is on the Financial Resource Management, Cash Management, Debt, and Investments educational tracks.

Nicole received her Bachelor of Science in Business Administration/Finance through Oklahoma Wesleyan University and is currently pursuing her MBA in Accounting at OKWU and will graduate in 2024.

"Nicole's understanding of Oklahoma school finance brings the level of expertise needed to help deliver OLAP's unique set of service and investment management programs," said **Michele Wiberg**, Senior Vice President, Chief Sales and Marketing Officer. "We are thrilled to have her on the team along with **Sara Schnoor, Charlie Czachor, Anita Tracy, Wes Karten, and Megan Foster**, and look forward to serving Oklahoma school districts under her leadership."

Nicole will be based in Oklahoma and along with the entire OLAP team, she will be traveling regularly throughout the state. We are excited to have Nicole join the PMA and OLAP Team!
